ENGLISH STREAMING VIDEO COLLECTION

All titles are segmented into short, pedagogical clips, ideal for intermittent use during classroom lectures. For homework viewing, students can choose to watch an entire film without interruption. Titles within the collection are sorted across 36 distinct, browsable subject categories (e.g., 18th Century British & Irish Literature, Critical Perspectives in Theater, Mass Communication & Journalism, 19th Century World Literature), enabling refined searches for available titles in specific topic areas.

Here's a sampling of the collection highlights:
