## HEALTH & MEDICINE STREAMING VIDEO COLLECTION

All titles are segmented into short, pedagogical clips, ideal for intermittent use during classroom lectures. For homework viewing, students can choose to watch an entire film without interruption. Titles within the collection are sorted across 69 distinct, browsable subject categories (e.g., The Healthcare System, Ethical Issues, Weight Control & Eating Disorders, Aging), enabling refined searches for available titles in specific topic areas.

**EXCLUSIVE**

**The Human Body: How It Works**  
Comprehensive nine-part series that details the inner and outer workings of the human machine.

### Here's a sampling of the collection highlights:

**EXCLUSIVE**
